Pattern

Begin with a slip knot on your hook and ch 4 to begin. Then sl st into the first ch to create a ring. (You can chain 5 if you find the ch 4 too tight to work into.)
A note here: Even though we are working in the round, it's recommended that you turn your work with each round so as to keep the seam line straight. With the mesh stitch, it will almost disappear which is ideal for a nicely streamlined look.

Rnd – 1

- Ch 4, (this will count as a DC, ch 1) then place 1DC into the ring, ch 1
- Continue placing (1 DC, ch1) into the ring until you have a total of 10 (DC, ch1) segments
- sl st to the top of the 3rd ch and turn your work

You will have a **total of 10 DC sts** at the end of this round (For this project I will not be counting the ch sts.)

Rnd – 2

- sl st into the first space and ch 4, then into the next space place 1 DC, ch 1, 1 DC
- ch 1 and repeat *(1DC, ch 1, 1 DC) until you have a **total of 20 DC**
   -   Sl st to the top of the 3rd ch to join your round and turn your work

Rnd – 3

- sl st into the next space and ch 4
- then go into the next space and place a V stitch (1DC, ch1, 1DC)
- then repeat the following pattern all the way around * (ch 1, DC into the next space then V stitch into the next space)
- at the end of the round, sl st to the top of the 3rd ch and turn your work. You will now have **30 DC** in total.

Rnd – 4

- sl st into the ch space and ch 4
- then place 1 DC into the next space, ch 1*
* Repeat this to the end of the round. (There are no increases in this round.) Sl st to the top of the third ch and turn your work

Rnd – 5

*Repeat Rnd 4

Rnd – 6

- sl st into the ch space and ch 4, place 1 DC back into the same space

- ch 1, 1 DC into the next space, ch 1, 1 DC into the next space, ch 1, V st into next space, ch 1*
* Repeat this to the end of the round. Sl st to the top of the 3rd ch to join your round. You will now have **40 DC** in total.

Rnd – 7 & 8

- Repeat the method in Rnd 4 (No increases here.)

Rnd – 9

- sl st into the ch space and ch 4, place 1 DC, ch1 into each of the two spaces
- ch 1, V st into next space, ch 1
- 1 DC, ch 1 into each of the next 3 spaces, V st into next space, ch 1*
* Repeat this to the end of the round. Sl st to the top of the 3rd ch to join your round. You will now have **50 DC** in total.

Rnd – 10 & 11

- Repeat the method in Rnd 4 (No increases here.)

Rnd – 12

- sl st into the ch space and ch 4, place 1 DC back into the same space (V st)
- 1 DC, ch 1 into each of the next 4 spaces, V st into the next space, ch1*
* Repeat this to the end of the round. Sl st to the top of the 3rd ch to join your round. You will now have **60 DC** in total.

Rnd – 13 & 14

- Repeat the method in Rnd 4 (No increases here.)

Rnd – 15

- sl st into the ch space and ch 4, place 1 DC, ch 1 into each of the next 4 spaces, V st into the next space, ch1
- ! DC into each of the next 5 spaces, V st into the next space, ch 1*
* Repeat this to the end of the round. Sl st to the top of the 3rd ch to join your round. You will now have **70 DC** in total. (For my size - adult - this is the last increase round.)

Rnd – 16 - 32

- Repeat the method in Rnd 4 (No increases here.) After Rnd 32, snip your yarn and fasten off.
